Nonappropriated Fund JOB APPLICATION KIT

Working To Support Our Customers

INTRODUCTION

This guide contains information to aid you in successfully completing your resume/Nonappropriated Fund (NAF) job application when applying for Nonappropriated Fund employment opportunities. Although we accept resumes sent by e-mail or traditional surface mail, we strongly encourage you to use electronic media. By using e-mail, you will save time and the cost of mailing and be less likely to miss consideration because your resume was not received in time, incomplete, or not in the proper format.

Nonappropriated Fund vacancy announcements are posted at <http://acpol.army.mil/employment/naf.htm>. Simply click on Employment, then on Search for Jobs to find vacancy announcements of interest to you and for which you are within the area of consideration.

PREPARING YOUR RESUME

Applicants may submit either Department of the Army [\(DA\) Form 3433](#) (Optional Application for Nonappropriated Fund Employment) or a resume.

You should start by thinking about your career goals. Focus on defining and identifying key and meaningful skills you currently possess, particularly those that are related to the positions that you are interested in applying. Describe your experience in sufficient detail with concrete words rather than vague descriptions. Do not use acronyms unless you spell them out first. You will want to use judgment when including skills that may be outdated or no longer used in the workplace.

The Resume you prepare should provide enough information to determine your eligibility and qualifications. If your description of duties combines Federal civilian positions at different grade levels, make sure you include the month, day and year (MM/DD/YY) you were promoted to each grade. Ensure that each period of work experience summarizes major duties, includes position title, pay plan, series and grade, accounts for different grade levels, and includes employer's name, complete address, supervisor's name and telephone number. The same should be followed in deciding which specific education and training information to place on your Resume to support your qualifications. Some positions require a college degree where you will be required to submit a transcript if specified in the vacancy announcement or if you are selected for a job.

In order to ensure accurate extraction (identification of job-related skills), we recommend that you develop your Resume according to the following guidelines.

Flexible appointees are subject to termination at any time without use of adverse action or reduction-in-force procedures. A flexible appointment does confer the ability to be non-competitively converted to a regular appointment.

LIMITED TENURE (FT or PT): Temporary full-time or part-time position that should last in excess of a year that would end upon completion of the special circumstances that precipitated the need. Employee will be entitled to accrue annual and sick leave, and eligible to participate in the employee benefits program.

SEASONAL (FT OR PT): Permanent appointment use to provide seasonal services at the same time each year that exceed six consecutive months. These employees are placed in a non-duty, non-pay status during the periods when their services are not needed. During the active duty status employee will be entitled to accrue annual and sick leave, and eligible to participate in the employee benefits program.

SELECTION PREFERENCES

In competitive recruitment actions, employment preferences as required by law and DoD policy shall be accorded to fully qualified applicants in the following order of selection priority:

- Spouse Employment Preference (SEP). The Military Spouse Preference Program applies to spouses of active duty military members of the U.S. Armed Forces who desire priority consideration for positions at DoD activities. To receive preference eligibility, the spouse must be married to the military sponsor before reporting to the new duty assignment. MSP applies only with-in the commuting area of the military sponsor's permanent duty station and if you are ranked among the "best qualified" for the vacancy for which you are applying. Military spouses will not lose MSP eligibility when accepting a temporary or limited tenure position or permanent position with a flexible work schedule (non-continuing positions). MSP eligibility is retained until the military spouse accepts or declines the offer of a permanent appointment to a full-time or part-time position with fixed work schedules (continuing positions). MSP can only be used once during

a sponsor's tour. Once the spouse accepts or declines a continuing position, eligibility terminates whether or not the position was obtained through MSP. MSP eligibility is lost when the spouse accepts or declines an offer of a continuing position or declines a job interview for a continuing position. Once MSP is used, the spouse competes as either a current permanent Army NAF employee or as a family member without preference (overseas).

- **Involuntarily Separated Military Preference (ISMP).**
Certain members of the Armed Services who were involuntarily separated from active duty with an honorable or general under honorable conditions discharge are entitled to preference in hiring for a period of 1 year after separation. This preference also applies to their dependents. Preference requires verification through the submission of DD214 (Certificate of release or discharge from active duty, member-copy 4) and a DD Form 1173 (Uniformed Services Identification and Privilege Card) for Family Members.

If there is more than one eligible candidate in a given preference category, a selection may be made from within that category in any order.

NOTE: Consistent with Status of Forces Agreements (SOFA) and country-to-country agreements and treaties, vacancies in foreign countries which are filled competitively will, in the absence of Spouse Employment Preference (SEP) eligible or involuntarily separated military (ISM) members as defined above be filled by qualified family members of either military personnel or U.S. citizen civilian employees

Priority of Consideration

After application of the above employment preferences, qualified applicants will be accorded priority consideration for Army NAF positions in the following order:

- (1) DoD NAF employees separated by business-based action (BBA). This priority consideration is authorized for vacancies at the same or lower grade or pay level and employment category, and substantially the same duties as the position from which separated. This priority consideration is authorized for up to one year from separation when requested by the individual. Eligible applicants must include documentation of the business-based when requesting priority consideration.
- (2) Current or former NAF employees. This does not include emergency hire Flex service, but includes any other service with a DOD NAFI. Current Appropriated Fund (APF) employees serving in a continuous position who have at least one year of continuous Army APF service.
- (3) Outside applicant veteran (OAV). For purposes of this priority consideration, "veteran" shall be defined the same as the term "preference eligible" in 5 U.S. Code 2108(3). To receive priority consideration, veterans must submit a copy of their DD 214 at the time of application. Veterans' priority consideration does not apply to in-service placement actions.
- (4) Outside applicant non-veteran (OANV). To include active duty enlisted military personnel applying for positions.

Applicable in Overseas Locations Only

Family Member with Preference (Overseas): The spouse or unmarried children (including stepchildren, adopted children, and foster children) not more than 23 years of age residing with a member (sponsor) of the U.S. Armed Forces or a U.S. citizen civilian employee (sponsor) of a U.S. Government Agency (including NAF activities) whose duty station is in a foreign area. This category does not apply to family members of contractors. FMP applies when the Family Member (FM) arrives in the overseas area and to positions in the commuting areas of the sponsor's duty station. FMP also applies when an active duty member of a dual military couple exits the service overseas and applies for civilian employment as a family member.

NOTE: FMP applies to initial employment at the overseas location.
